About the Products

For each fundraiser, we offer various flavors of cookies and brownies. Each box comes with twelve 3oz cookies or 4 brownies. Each box of cookies are \$30.00 and \$15.00 for brownies.

Cookies are individually packaged and are shipped in a sleek, black corrugated box.

How It Works

1. Your organization selects the dates for your fundraiser.
2. Our team will configure our online products to display the cookie flavors for the fundraiser and will provide the link for your supporters to shop.
3. Once the fundraiser begins, a daily report will be sent with a total of the sales.
4. When the fundraiser ends, our team will begin to process orders.
5. Supporters should expect to receive their cookies within 4 to 6 weeks of their order date.
Note: This turnaround time is dependent on the volume of orders.
